SUPERHERO TOOLKIT

SUPER SPARKLE PHONE

Attention, attention superhero speaking! Here's a fun way to talk to your other superhero friends.
Follow these simple steps and create your very own super sparkle phone.

YOU WILL NEED:
SOME HELP FROM AN ADULT!

White card

Printer

Scissors

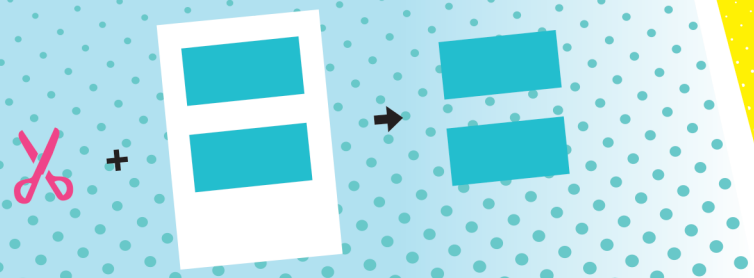
Glue

String

2 x Disposable cups

STEP 1.
Download and print the super walkie talkie designs.

STEP 2.
Take your scissors and cut around the dotted lines.



STEP 3.
Stick the designs around the disposable cups.

STEP 4.
Cut the string as long as you want. Remember that this will be the line that connects your super walkie-talkies!

STEP 5.
Use the ruler to find the middle of the disposable cup bases and mark it with a pen.

STEP 6.
Take the scissors and cut a little hole in the centre.

STEP 7.
Stick the string through each hole and secure with a knot.
